# YMCA CAMP ONYAHSA

## 2012 Resident Camp Programs

### Onyahsa; for fun, for friends, forever!

A great summer of resident camping (for youth ages 7-15) will begin on June 17 and our 1/2 week Mini Camp for ages 5-10 will follow. This summer's theme will be "A New World", as each week looks to a different historical era for program inspiration. Campers will participate in activities such as campfires, skits, Club Time, theme nights, Olympic games, village nights, and other all-camp programs. We are staffed with well-qualified and highly committed counselors, who share the goal of making a stay at Onyahsa a truly rewarding experience for all members of the Camp Community.
