

YMCA Camp Onyahsa Inclement Weather Policy

Our top priority is to ensure the safety, health, and happiness of all Camp Onyahsa participants; while at Camp and en route to or from it. When inclement weather poses a threat, Camp Onyahsa may adjust or cancel scheduled hours of operation, programs and/or special events. Cancellation of Camp Onyahsa programs will **not** be based upon local Schools cancellations. We will make an independent decision based on our assessment of the weather, especially with regard to localized conditions.

Therefore, in the event of inclement weather, please:

1. Contact the main Camp office the day prior to the program, at (716) 664-2802 ext. 238 to confirm that the event will be held.
2. Check your email the day prior to the program and the Onyahsa website (home page, www.onyahsa.org) or Twitter feed (@CampOnyahsa) for up-to-the-minute updates.
3. Ensure that the Camp has correct phone information, in case a program cancellation is necessary the day of the program. (This should include a number to be reached on Friday evening and Saturday early morning prior to a monthly camp).
4. If the program is held, but you do not feel safe travelling to Camp, please attempt to notify the program at (716) 753-5244. Full refunds will be available for cancellations.
5. If you wish to pick up your camper early, please notify the Camp program at (716) 753-5244.
6. If inclement weather prevents you from meeting your camper at the scheduled departure time, please attempt to notify the Camp program office at (716) 753-5244. In this event, your camper(s) will be welcome to stay at Onyahsa until weather conditions improve. Our supervisory staff will remain on site, food service will continue, and an informal program will be implemented. Of course, there will not be an extra charge for this extended stay.
