

YMCA CAMP ONYAHSA GROUP RENTAL/CAMPING PROGRAM POLICY 2020

To enact the group's use of YMCA Camp Onyahsa, contracts specific to the participants' needs will be written and signed by the group's representative and the Camp's representative. This agreement must be signed and returned *with a Reservation Deposit equal to 25% of the program cost to the YMCA Camp Office to hold the reservation. Seventy-five percent of the rental fee is due one month prior to the rental date, or the event may be canceled and the Reservation Deposit forfeited.*

The group's designated adult representative (and caterer, if applicable) must visit the Camp at least one week prior to the event to meet with an Onyahsa representative to inspect the site, discuss rules, review emergency procedures, and note other site constraints and issues (i.e. parking, first aid procedures, and activities planned). The group's representative must sign that he or she has read, understands, and agrees to abide by the following policies; will communicate these policies and regulations to the group's membership; will remain present throughout the *entire* event (or will delegate such responsibilities to a qualified adult); and will enforce these regulations and policies among the group's membership.

SECURITY DEPOSIT

A Security Deposit equal to 25% of the rental fee in the form of a signed check payable to "YMCA Camp Onyahsa" or a credit/debit charge is due on the day prior to the event; this will not be applied toward the payment of the reservation. The check or charge balance will be held until after the event has concluded, at which time if there has been any site damage, missing Camp items, or unreasonably excess waste or uncleanliness, the security deposit will be surrendered to YMCA Camp Onyahsa to cover the cost of repair, clean up, excess disposal fees, or repairing any damage. If the damage exceeds the security deposit, the group's representative will be billed for the remaining cost. If no damage or property loss has been incurred, the check will be returned to the issuer or the credit charge will be refunded.

RENTAL DEPOSIT AND SITE USE FEE

Upon receipt of the Reservation Deposit, the group's representative will be sent an email and an invoice confirming the reservation. This reservation is not confirmed until Camp Onyahsa has received the Reservation Deposit and has sent the site user a confirmation letter.

SITE RENTAL FEE

Full payment of the rental fee is due one-month prior to date of the event with a certificate of insurance (and, if applicable, a NYS alcohol permit). This payment may be made via credit card, check, or cash. Wedding and Special Events will be charge a minimum of \$1,500 for each event. Day use and informal overnight rentals will be charged a minimum of \$500. Use solely of the Recreation Center has a minimum \$200 charge. Please see rental rates for more information.

CERTIFICATE OF INSURANCE

A certificate of liability insurance for the event or proof of event coverage on the site user's liability or homeowner's policy, listing YMCA Camp Onyahsa as an "additional insured," must be received *two weeks prior to the start of the rental.*

CANCELLATION POLICY

Deposits are refundable only when cancellations are received 30 days prior to the scheduled arrival. Discounts cannot be given for late arrivals or early departures.

GENERAL INFORMATION

The group's representative or designee must be on site during the entire scheduled event and be in direct contact with Camp Chaperone. (If the event is a wedding, the representative must be someone other than the bride or groom.) If alcohol is served during the event, the representative, similar to a "designated driver" will not overindulge. The YMCA management will retain full authority over the use of YMCA property at all times during the event. The Camp Administration reserves the right to enforce these and other reasonable regulations as it deems necessary. Furthermore, the YMCA and/or its hired security personnel reserves the right to ask rule violators to leave the Camp property without refund for violation of Camp rules and policies.

SITE USE

The standard Group Use program includes the use of the Darrah-Hultquist Dining Hall and/or The Sheldon Program Center and Lodge, plus adjoining grounds. Cabin use is available only for pre-scheduled overnight programs. The waterfront, Wilderness Preserve, the Hultquist and Johnson Lodges, Recreation Center, cabins/tents, and the Belcher Kitchen are available for additional fees. Other areas and equipment in Camp, including the Challenge Course, the west side of the Creek, powerboats, vehicles, and other site resources are off-limits to group participants, unless prior permission and adequate YMCA staffing is obtained from the Camp Onyahsa Management.

PARTICIPANT REGULATIONS

The event director must distribute or otherwise communicate the Group Use Guidelines (page 8) to all group event participants. At least one responsible adult will supervise no more than eight minors at all times. And no adult who is not a member of the same household shall be in a private location with a minor. A detachable one-page list of these regulations is included on page nine of this document. Under American Camp Association guidelines and YMCA Camp rules, in order to prevent child abuse or accusations thereof; at no time will two individuals, where one is minor, be alone in a private area unless they are legally related. The group's leader will be responsible for performing background checks on all persons who will be in contact with non-related minors.

MEDICAL CARE

YMCA Camp Onyahsa will not assume primary responsibility for medical care, first aid, or the medical transportation of group users unless it is specifically requested, and mutually agreed upon in the Group Use Policy. The Group Director or a qualified designee will assume responsibility for providing adequate medical care, first aid, and emergency transportation to any afflicted group member(s).

At least one designated member of the group must possess current CPR-AED certification from a nationally-recognized organization, such as the American Red Cross. This person(s) must be given responsibility for responding to emergency situations and must remain on-site at all times. The Camp's AED and supplemental oxygen tank are located in the Sheldon Hall reception area in case of emergency.

The Group Use Director is advised to collect, in writing, the following information on all guests:

- >names, addresses, and emergency contact information for all participants.
- >a list of any persons with known allergies (i.e. food or bee stings), or other health conditions requiring treatment, activity restriction, or other accommodation while at YMCA Camp Onyahsa
- >for minors without a parent on site, a signed permission form to seek emergency treatment (or a signed religious waiver).

A sample health form is available on request from the Camp to assist with collecting the above information.

All medicines (OTC and prescription) must be kept under lock during the group's stay and be accessible only by a responsible adult. First Aid supplies should be provided by the site renter.

All injuries or illnesses requiring professional treatment must be reported to the Camp Director and the Chautauqua County Department of Health. An additional listing of reportable incidents is available from the Camp's representative. The Group Leader is expected to notify parents and other family members if a minor is injured or becomes ill. The on-site Camp Representative must also be notified as quickly as possible in the event of serious injury or illness.

Participants and site users may not bring personal items to the Camp from a residence that has experienced bed bug issues within the past twelve months without notifying the Camp Administration. The Camp can make available bedding and other linens. All areas will be inspected following use by rental groups for evidence of parasite introduction, unreasonable uncleanliness, or site damage, to which the renting party will be held financially responsible for rectification.

A means for assembling all participants on short notice must be devised and mutually agreed upon by the Group Director and the Camp Representative in case of emergency (i.e. fire, weather situation). A copy of the Camp's Safety Plan is available on request.

Emergency Medical Services are summoned by dialing 9-1-1. Please keep in mind that the site is served by a volunteer fire department. The Camp's name is "YMCA Camp Onyahsa," and it is located at 5411 East Lake Road, Dewittville. If EMS is summoned, an adult must be sent to the Camp entrance to meet the incoming emergency vehicles and to clear the road of pedestrians. The group leader or sponsoring organization will assume any financial obligation incurred as a result of summoning EMS. After summoning EMS and tending to the emergency, please notify the Camp representative as quickly as possible.

MAINTENANCE and HOUSEKEEPING

The YMCA Staff will clean up following events and will conduct minimal housekeeping during the group's stay. However, the group or caterer is responsible for fully cleaning and re-sanitizing the kitchen and dishwasher area (unless dishwashing is contracted to the Camp staff). Camp Onyahsa agrees to provide a safe and clean site; however, snow removal and the salting of decks and walkways may be delayed during heavy squalls. Participants should dress appropriately for the conditions and exercise caution in the event of inclement weather. Groups must agree to leave the camp's site, equipment, and facility in the same condition as found. A Camp representative will be available to handle any problems. Any equipment not in proper working order or any other facility concerns should be reported immediately to the Camp's on-site representative.

GENERAL SITE REGULATIONS

No tobacco or illicit substances are to be consumed in or brought into the Camp in any form. Alcohol, limited to beer or wine only, may be served *only with the prior approval of the Camp administration*, and only under controlled circumstances. No smoking is allowed in the Camp except at designated outdoor areas. Please have patrons use the cigarette canisters near the decks of the central buildings to extinguish cigarettes *and ask them not to discard cigarette butts on the ground. Cigarettes that fall through the deck present a fire hazard.*

Groups may not move furniture at any time. Furniture or similar items may scuff walls, scratch floors, or otherwise do damage to the Camp. If such items need to be moved, please advise the Camp representative so that the item can be moved properly.

Camp Onyahsa prohibits the possession and use of firearms, archery equipment, fireworks, flying sky lanterns (candle balloons), and any types of explosives or weapons.

The Climbing Wall, Wilderness Preserve, waterfront, and archery range require operation by a certified instructor(s) and will not be available for Group Use rentals unless specifically contracted prior to the event.

Campfires are to be held only with the permission of the Camp's representative and only in designated places. The use of liquid accelerants (other than standard charcoal lighter) is strictly prohibited. Fires must be completely extinguished before the group's departure. Due to insect migration and infestation, no firewood may be brought into the Camp. The Mess Hall fireplace is only available with Camp staff supervision. (The Sheldon Hall wood stove are not available for group use).

Any glass, plastic, litter, cans, or paper should be placed in designated trash cans or recycling bins. All facility windows must be closed, and lights must be turned off, upon group departure. Please do not throw items into the lake or woods, cut or damage trees, or otherwise compromise the natural beauty of the site.

In the rare condition in which electrical power is lost, please contact the Camp representative. The loss of electricity will not be cause for a rental refund; please have a back-up plan should this situation arise.

The Camp Management is not responsible for the loss of personal property during one's stay at the Camp. Lost and found articles will be kept at the Camp office for one month after the event.

The Camp has a limited supply of water. Therefore, please make sure that all water faucets and showers are turned off after use and that toilets stop running after flushing. The YMCA Camp will not be responsible for a disruption of water service caused by the Group participant's failure to properly turn off the water.

During cold weather, please take care to close all windows and exterior doors to retain heat within the building. Do not adjust thermostats in the buildings or open windows during this season. Please ask the Camp Representative to adjust heat.

Since the Camp is primarily a summer youth program site, *parking is limited at the central campus*. Please meet with the Camp representative on-site before the group event to discuss parking issues. Parking on the sports court or other non-designated parking areas is prohibited.

Do not drive on the lower field, sports court, or walkway. Groups using caterers, florists, or other deliveries must notify these services of the prohibition on driving to the doors or decks of the Darrah-Hultquist Hall. Carts are available to assist moving items from designated parking areas into this central building. The damage deposit fee will be forfeited if vehicles cause damage to the lawns.

Noise, including amplified music, must be kept at a reasonable level and must be discontinued by 10:00pm (weeknights) and 11:00pm (weekends), in consideration of our neighbors.

Pets are not allowed during site rentals without the prior consent of the Camp Director. All pets must have written documentation of applicable vaccinations and must possess a calm demeanor. The Group Director will assume responsibility for any injury, damage, or additional cleaning required due to the presence of pets during the site use. The Camp Director's dog(s) live onsite and may be on site during the rental. Please contact the Camp Representative if this will pose a problem for the group.

The event leader or sponsoring organization will be held responsible for adherence to these rules and for any and all damages or additional clean-up costs incurred to YMCA property during the Group's use of the Camp.

DINING HALL and SHELDON HALL USE

These buildings are provided "as-is": no wall pictures, memorabilia, flags, permanent furniture, or displays may be moved from their present location. The Dining Hall floor is a soft surface, which is easily scratched and gouged. If the group is using its own or borrowed/rented tables and chairs, please check the "feet" to ensure protective caps are in place to prevent scratching the floor. The renting party will be responsible for the necessary repair of flooring caused by moving the furniture, the use of rental equipment, or other damage. Offices will not be available for group use. Large parties are advised to rent portable restrooms or to pay an additional fee for use of the restrooms in Sheldon Hall and/or upstairs in the Mess Hall. The fireplace and wood stove are not available to rental groups without Camp staff supervision/tending.

TELEPHONE USE and WIRELESS DSL

No landline telephones are available to the Group unless requested. Group attendees should not answer the Camp's phone. Wireless DSL is available in Sheldon Hall and the Darrah-Hultquist Hall at no extra charge, based upon availability. This service is unrestricted, but area bandwidth is narrow; please advise group members to set portable devices to "airplane mode" to improve connectivity and speed. Minors' use of the Internet and TV/DVD units should be monitored by the group's adults.

KITCHEN USE and DISHWASHING

Use of the kitchens, including stoves, coolers, freezers, and dishwashers, is available to the group at an additional fee. Dinnerware and dish-washing is also available for a fee: \$.50 per person (minimum \$25. This service must be contracted prior to the event, and it does not include table-setting. The rental of dishware without the washing service will be one-half this fee. (In this case, the renting party or its caterer will perform the dish-washing).

If the group or the caterer choose to wash dishware, be advised that the drains do not include a garbage disposal; therefore, all food items must be scraped into garbage receptacles. The renting party may be held responsible for repair costs or interruptions to food services due to the misuse of the dishwasher or obstruction of the septic drains.

The group or caterer are responsible for cleaning the kitchen and dishwasher area, the removal or proper storage of food, and the sanitization of kitchen surfaces. (This responsibility does not apply to the dishwashing area if Camp staff has been contracted to do the dishes). The use of phosphate soaps is not permissible. In addition, all Camp-owned kitchen equipment must be accounted for before departure. Missing or broken items will be charged to the damage deposit. A pre-rental orientation with the Camp Management is required to follow proper food service practices and machine dishwashing procedures. In addition, all information on wall postings must be followed.

GARBAGE DISPOSAL AND FEE

Lined trash canisters and recycling bins will be available for group use. Please attempt to limit the amount of waste and deposit all refuse in the appropriate containers. All rinsed glass, metal and plastic products must be put into the available recycling bins. The Camp staff will remove trash daily.

Due to rising costs of disposal, a \$10 charge will be applied to each garbage bag or fraction thereof that is used by the group beyond four per meal. This fee will not apply to rinsed recycled items that are properly placed in the recycling bins. No hazardous waste may be disposed at the Camp. You may be eligible for a \$50 discount if you remove your own garbage from the Camp.

EQUIPMENT USE

Camp sporting and other equipment is available for use if requested prior to the program. The participants must agree to have all equipment returned to its proper place in good condition and working order. Bunk beds and other furnishings may not be moved. The group leader must ensure that all bunked guardrails are securely in place. *The group will be responsible for the replacement of any lost, broken or missing Camp equipment used during the Group's camping session.*

FIRE

No fires, smoking, open lighted candles, or flammable material may be present in or near any Camp building. This prohibition *includes fireplaces*. Please check the smoke detector (and carbon monoxide detectors within heated buildings) for your lodging area and practice evacuation procedures upon arrival. Fire extinguishers are available in each building. In the event of fire, dial 911 to summon our local volunteer fire department. The Camp's smoke detectors and alarm systems are not tied directly into the locality's Emergency Response Network. YMCA Camp Onyahsa is located at 5411 East Lake Rd, Dewittville, NY.

WATERFRONT USE

The waterfront may be used *only* if arrangements are made 30 days in advance of the rental, and a qualified Jamestown YMCA lifeguard must direct waterfront operations. The YMCA staff will enforce the following, and any other necessary regulations:

1. Group program participants must obtain prior permission from the camp management before swimming on site, boating with Camp vessels, and using Camp Onyahsa's waterfront equipment. The YMCA will not be responsible for accidents or injuries occurring at unguarded sites or at unspecified bathing or boating times.
2. Swimming is allowed only under the supervision of a hired YMCA Camp Onyahsa lifeguard, and *only within specified areas* (from the swimming dock), and only at specified times. Running on the docks and diving are strictly prohibited.
3. The YMCA will not be responsible for the safety of swimmers or boaters who enter the water in non-designated areas or at non-designated times. The group's leader will be responsible for ensuring that the group's swimmers or boaters refrain from these types of waterfront activities. These activities include parents allowing their children to enter the water from shore at unguarded sites and the patrons' use of a watercraft that is not owned by the YMCA.
4. No glass or bottles are allowed in YMCA-owned boats, on the docks, or on the waterfront.
5. The YMCA lifeguard has the right to limit the number of swimmers or boaters and to restrict the entry of persons to the waterfront.
6. The use of rowboats, kayaks, and canoes is available for \$60/hour. Powerboats, sailboats, sailboards, and other waterfront equipment are *not* available for group use.
7. Boating with Onyahsa equipment is allowed only under YMCA supervision, within specified boundaries, and at pre-designated times. The Camp will assume no responsibility for injuries or incidents arising from the use of water craft that is not owned by the Camp.
8. USCG approved life jackets (PFDs) of proper size and good condition must be worn by all users of Onyahsa's boats.
9. No fishing is allowed from or near the Swimming Dock at any time, and no fishing is allowed from the boating dock, bridge, or camp's boats without the YMCA lifeguard's permission.
10. The lifeguard has full authority to restrict use of the waterfront or its equipment for due cause. The group leader must make other Camp aquatic rules clear to group members, and help to enforce them.
11. Patrons may not participate in waterfront activities if they have recently consumed alcohol.
12. In the winter, the Lake and Creek may freeze; but it is hazardous to walk, skate, snow-mobile or engage in other similar activities upon the ice, as it will vary in thickness.
13. Attendees are expected to act with caution near any body of water on the camp grounds, including but not limited to the lake, the creek, streams, ditches, and ponds.
14. Attendees are not permitted to use the bridge or the Point without adult supervision. They are prohibited from crossing beyond the creek fence.

ALCOHOL POLICY

Any individual or group interested in serving alcohol during a rental of the YMCA Camp Onyahsa property *must obtain a special event permit* from the NY State Liquor Authority, Division of Alcoholic Beverage Controls. A copy of this document must be presented to YMCA Camp Onyahsa at least one month prior to the event. Permits can be obtained on-line at <https://sla.ny.gov/permits-available-online#one-day-beer-and-wine-permit>. Moreover, all provisions of the YMCA Camp Group Use Policy will remain in effect, in addition to this alcohol provision.

1. No alcohol service is permitted for overnight group use, unless contracted for additional overnight program.
2. The event's sponsors will assume *full* responsibility for verifying age (21 years or over) and refusing to serve the impaired or intoxicated. Sponsors must also provide non-alcoholic beverages.
3. Permissible alcohol will be *limited to beer and wine only*. Liquor may not be served or brought to the Camp for personal use.
4. The event's sponsors will exercise good judgment at all times and provide supervision to ensure the safety of patrons and guests. Waterfront use, vehicular operation, and other potentially hazardous activities will be prohibited if alcohol is present on the camp premises. The event sponsor will assume responsibility for prohibiting these activities.
5. If permission to serve alcohol is granted, the site user will attest, by signing this agreement, to verifying the age of persons consuming alcohol. The site user will provide a copy of the certificate of insurance for this event providing at least \$1,000,000 in liability coverage at least one month prior to the site use; the certificate of insurance must name the Jamestown YMCA/Camp Onyahsa as an "additional insured."
6. All alcohol and containers must be removed from the Camp premises immediately upon the conclusion of the event or recycled in camp's designated collection containers.
7. The presence of alcohol will be limited to the central site and will not include lodging or program areas, including the waterfront. Patrons who partake in alcohol may not use the waterfront.
8. No alcohol is to be allowed at any time during which YMCA youth/family camp programs are in session.
9. The server(s)/bartender(s) shall at no time consume alcohol during the event.
10. The site user will indemnify and reimburse the YMCA/Camp Onyahsa for any loss to Camp property, liability claims, or fines resulting from the user's violation of NYS liquor laws.
11. The on-site Camp staff will have the authority to enforce this policy as needed.

Furthermore, for groups of 40 adults (ages 18 and over) or more:

1. Alcohol may only be served by a trained and experienced agent of a NYS licensed establishment that carries liability insurance of at least \$1,000,000 and that names the YMCA of Jamestown NY/ Camp Onyahsa as an "additional insured."
2. Groups of forty or more may not utilize the central Camp property past 11:00pm. Overnight accommodations will open.

YMCA Camp Onyahsa retains the right to deny permission for alcohol use at its site based upon this application and its implementation.

AREA ATTRACTIONS

The Chautauqua-Allegany Region offers varied attractions, including skiing, ice-skating, museums, wineries, arts, entertainment, history, horseback riding, golfing, shopping, and dining. Onyahsa is centrally-located to many of these attractions, and a guide to them may be found at www.tourchautauqua.com

The Jamestown and Lakewood YMCA branches also offer the use of a gymnasium, swimming pool, inflatable "bounce house," indoor soccer field, and other amenities on a rental basis. Please check with the Camp Office for more information and discounted fees.

CONTRACT APPROVAL

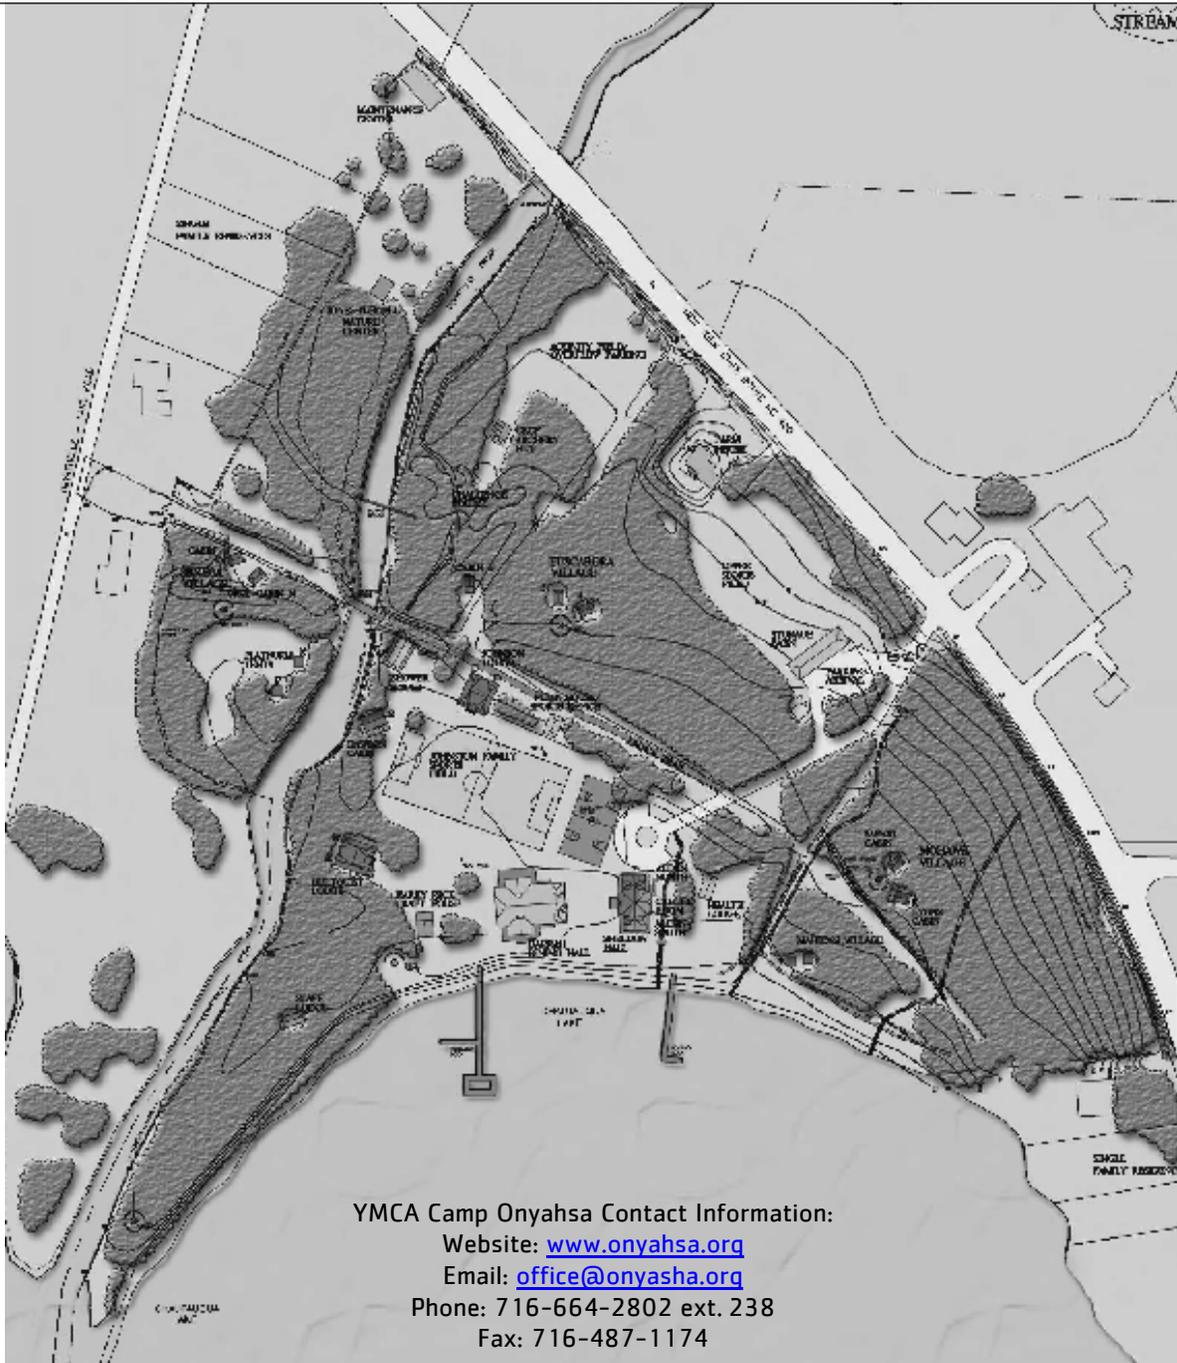

The Camp Administration will review all contract applications and will grant rental permission contingent upon the number of individuals attending and the type of event. The Camp Administration reserves the right to request references for groups requesting site use.

CONCLUSION

YMCA Camp Onyahsa's rules and regulations apply without exception to all participants in Group programs and any other Camp users. These rules and regulations have been established by the Camp Onyahsa Committee, and a copy of these rules will be given to all persons who rent the facility. Anyone who violates the foregoing rules may be expelled from Camp property without monetary reimbursement.

*Your cooperation is appreciated. We hope your experience at YMCA Camp Onyahsa is enjoyable. Your site use assists the Camp in providing quality camp experiences for youth. Please notify the Camp's representative if you have any questions or concerns.
